Guiding Questions

For Parents

- What made you decide to share this piece with me?
- How did you feel as you read your guided reading book out loud?
- How might I better support you as a reader at home?
- What's the hardest part about the writing process for you? Why do you think so?
- What's your favorite part about the writing process? Why?
- How do you feel when you're asked to explain your math thinking?
- How do you feel during math practice time on your own?
- What do you think about where you sit?
- What makes you most excited about coming to school?
- How do you feel about your overall learning so far in [*subject/topic*]?
- How might I better help this team that's dedicated to your learning? (*can ask student and/or teacher*)

For Students

- What growth have you seen in my reading so far this year?
- What do you enjoy most about my writing?
- What growth have you seen in my math thinking so far this year?
- I'm having a hard time with (*anything you wish your parents or teacher knew*). Can we talk about ways to help?
- What materials can I use to better organize my learning space?
- How might I better help this team that's dedicated to my learning? (*can ask parent and/or teacher*)

For Teachers

- How often do you feel in charge of your own learning? How can I help you better take charge of your learning in [*subject*]?
- How comfortable do you feel with the reading materials I provide in class? (*too challenging, too easy, or just right*)?
- How might I better model the writing process for you?
- What's your favorite way we learn new math concepts and why?
- How comfortable are you with sharing your ideas with classmates? Why do you think that is? How can we help?
- How might I better help this team that's dedicated to your learning? (*can ask student and/or parent*)
